

Tribal Pesticide Program Council
Full Council Meeting, March 4-6, 2026

Evaluation Summary

Was the agenda for this meeting adequate and did it meet your expectations?

- Yes
- Absolutely.
- Yes!
- Yes, there was a decent mix of topics for each group of TPPC member.

What could the TPPC meeting planners have done to make this meeting more useful to you?

- Working session
- I didn't notice any inconvenience during our meeting.
- Nothing, all was great.
- N/A.

For future meetings, please suggest topics / speakers who you feel could help improve the agenda.

- I'd like the following topics: Invasive species, climate change, impacts of government dismantling of our environmental regulations, and things to do to mitigate climate change or advancements.
- Keep having representatives from different platforms that oversee, conduct, monitor, and regulate pesticide activities.
- Always enjoy hearing about more enforcement case studies from tribes whether pursued under tribal authority or forwarded to the EPA for enforcement.

How will this meeting strengthen your capability to better implement your program?

- The toxicological presentation was a good one. It showed what takes place inside a person during pesticide poisoning. The will outreach presentations beyond pesticide points of entry and PPE.
- Communication is key to everything. Willingness to collaborate and listen with federal agencies.

Please comment on the customer service provided by ITEP.

- Great
- It was good.
- This was one of the best in person TPPC Meeting that I have been too. I felt like the agenda was full of important information, issues, and concerns. Everything was well organized. Hotel was in a great location and very nice.
