WAS THE AGENDA FOR THIS MEETING ADEQUATE AND DID IT MEET YOUR EXPECTATIONS?

- Yes, good information.
- The meeting flowed well with great discussions!
- The agenda was adequate.
- Yes. (5)
- Yes, we always get behind because we have so much to cover, but things went well.
- The agenda addressed a lot of topics that were brought up during my regional tribal calls.
- Lots of current information. Pleased to see Status Report moving forward.

WHAT COULD THE TPPC MEETING PLANNERS HAVE DONE TO MAKE THIS MEETING MORE USEFUL TO YOU?

- More feedback on program to help with project and funding.
- The planning was optimal, particularly with everything going on worldwide regarding the coronavirus.
- Compost bins needed in the EPA facility.
- Add EPA inspection specific topics for use inspections, container/containment inspections, and marketplace inspections.
- Provide a new member packet. Just some information about TPPC and what it's currently trying to accomplish. This information or fact sheet could help update a new member.
- Provide thumb drive of presentations at beginning of meeting.

FOR FUTURE MEETINGS, PLEASE SUGGEST TOPICS / SPEAKERS WHO YOU FEEL COULD HELP IMPROVE THE AGENDA.

- Maybe a refresher on some daily issues faced by tribes such as spray drift and soil fumigants; also a session on how to draft tribal comment letters.
- Museum folks.
- More on direct implementation, risk assessment, and eCommerce.
- Speakers from EPA/OPP and OECA.
- IPM for schools, outreach.
- More hemp topics. Hemp and pesticides. Biostimulants.
- Water quality (pesticides) and ground water. Western states will recharge an aquifer with surface water. These are also used in communities in drought conditions.
- Topics: hemp/marijuana and pesticides.

HOW WILL THIS MEETING STRENGTHEN YOUR CAPABILITY TO BETTER IMPLEMENT YOUR PROGRAM?

- Great information to take back to tribe.
- The information provided will be useful for a few scheduled meetings I will be attending.
- The topics covering direct implementation and risk assessment play into funding and current projects going on in my community.
- Improve information for providing outreach.
- I can bring back and report on TPPC agenda items and other EPA updates to the regions.
- Simply, move information exchange, improve what I can, take home to my community.
